

GRAND CENTRAL NEWS

June 4, 2010

From the Principal

It is hard to believe that my first school year at Central is coming to an end! I would like to personally thank everyone at Central, the students, staff, families, and Stoneham community for everything you have done to welcome and support me during my first year here. I have thoroughly enjoyed working here and look forward to the upcoming year. Before the new school year starts we can all look forward to the summer months to relax and recharge the batteries! However, learning never stops. Many staff members will be busy working during the summer in our summer programs while others are planning to attend some of the professional development opportunities that are being offered by the District. Whatever your plans may be, I want to wish everyone a happy and safe summer.

See you in September!

Sincerely,

Sharon M. Bird

Student Etiquette

We have been working with the students throughout the school year on proper behavior especially in the halls and in the bathrooms. Self control is something we continue to emphasize along with appropriate choices. We have found as the year comes to an end the students still need to be reminded of the core values to demonstrate respect for others, self respect and respect of school property throughout our school. We appreciate your support in reminding them of these important behaviors and expectations.

It is the policy of the Stoneham Public School not to discriminate on the basis of sex, race, religion, national origin or handicap in its education program, activities, or employment policies as required by law.

From the Principal

THANK YOU!

The Central School staff would like to thank the PTO volunteers for a delicious June teacher breakfast, as well as all the parents who graciously donated baked good for the monthly teacher breakfasts throughout the school year. We appreciate your generosity.

NURSES CORNER

Dear Central School Families,

A big thank you to all the families who contributed to the Congregational Church food pantry. Because of your generosity we collected over 20 boxes of food to be distributed through the summer months.

The Congregational Church was very appreciative of our collection and many thanks of gratitude.

A big thank you to Karen Cutone for organizing and distributing the food to the party. Once again Central Schools stands out in the community a unique and caring school.

Sincerely,

Mrs. Ricupero
